# **BECK**

### H640101-AGB

Beck takes Art Deco forms and gives them a modern minimalist aesthetic. Curved metal arms from the top and bottom of the backplate flow into a slender cylinder of fluted glass. A ring in matching aged brass or polished nickel wraps around the glass shade which holds a single Edison bulb. Beck is an ideal bath piece, but this sophisticated sconce will add a soft glow to other areas of the home as well.
