

INTERVALS™

20QWZ46C

INTERVALS is a uniquely integrated linear architectural lighting system of rhythmically aligned bidirectional illumination, with a range of available decorative and functional trims. Architecturally scaled, the suspended horizontal beams span long lengths within a space, supported from ceiling-mounted cables or stems, forming a dramatically powerful approach to illuminating architecturally expansive locations. SONNEMAN's new INTERVALS Recessed Downlights extend and support these INTERVALS Linear Beam Pendants. Together, they achieve a comprehensive and unified approach to dynamically lighting interior spaces.

FINISHES

Satin White

Coastal Suitable Finish (EPM): No

DIMENSIONS

Height: 11.5"

Width/Diameter: 204"

Length: 56"

Minimum Height: 14.25"

Maximum Height: 86.25"
