

# BAY RIDGE

2717-PN

Deceptively simple, Bay Ridge is crafted using a very complex glass-blowing technique that's as sophisticated as the fixture itself. This globe pendant begins with horizontal ribs on the outside followed by vertical ribs on the inside, creating a stunning cross-hatching effect. A single carbon filament bulb shines beautifully through the clear-glass globe. Available in 12 and 17-inch diameter in Aged Brass or Polished Nickel, Bay Ridge is an ideal addition to any space.
