

BRIARWOOD

3608-BBR

The lines of a curved piece of Aged Brass or Black Brass flow effortlessly into the smooth lines of an alabaster shade creating a sleek, modern form that draws the eye. Light fills the alabaster and emits a soft glow from the sides of the fixture. This versatile sconce is available in both a slender and stout shape and can be mounted for uplight or downlight.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
