

TRUDE

4221-PN

Form meets function in this simple yet refined sconce. The conical opal glossy glass shade of Trude tapers into a wider opening at the bottom, creating a powerful downlight. Rather than a traditional arm back, the upscale mechanical metalwork nods to mid-century modern design aesthetics. The frame is available in Aged Brass or Polished Nickel for a more classic or contemporary finish.

FINISHES

POLISHED NICKEL

Coastal Suitable Finish (EPM): Yes
