

SILJA

478-01-VB

Silja exudes modern elegance by melding architectural and jewelry design languages together. The rectangular profile of the Vintage Brass metalwork emits light from both the front and back, illuminating all sides with a warm glow. The Nero Madera marble backplate lends a luxe material quality to this fixture, adding value to a piece that is perfectly suited to a bath area.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
