Inspired by a chandelier from the 1930s, the Stanwyck wall sconce and chandelier take traditional elements, like the arm shape and tapered shades, and updates them with a fresh material combination and machined details. Slender Distressed Bronze arms, accented with Aged Brass caps and knurled bands, swing up at the end to hold white linen shades. The chandelier has a beautiful hook-and-ring detail and the shades are mounted off-center, adding more visual interest to this modern design.
