

# MOISSANITE

7418-AGB

Inspired by Art Deco design, this grand chandelier features three tiers of lustrous cascading alabaster panels. Cool and milky when unlit, the subtly translucent alabaster comes to life with a warm glow when illuminated. Enhanced with Aged Brass finials and suspended from an elegant chain, Moissanite exudes an old-world sense of glamor. Choose between a 17 or 33-light option – both make a striking statement in an entryway or large living room.

\*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
