

# ABBOTT

8042-PN

This sprawling semi-flush is a stunning way to cover larger areas in bedrooms, entryways or any space where you want to add a serious touch of sophistication. Like a large piece of art displayed close to the ceiling, the globe-shaped diffusers are made of super clear blown glass. Carbon-filament bulbs are Abbott's perfect accompaniment and beautifully shine through the high-quality, crystalline glass. Available in two sizes (three-light and nine-light) and two finishes (Aged Brass and Polished Nickel).
