

SIMEON

9141-AGB

Integrated with CSL's 'Whisper' technology, Simeon offers peak functionality in a streamlined sconce format. While understated, a level of style is achieved with the extruded ribbing on the Aged Brass articulating shade. Within this elongated silhouette, an LED light source and acrylic diffuser work together to create a powerful, glare-free spotlight that can be directed as needed. Highly versatile, Simeon can be mounted on either a wall or ceiling.
