

# ANDROS

9316-OB

Sharp angles, sinuous curves, and sleek metalwork come together in the architectural Andros sconce. Suspended from an L-shaped backplate, the modern conical silhouette has a bell-like appearance. The opal matte glass shade is bias-cut on the end to create an elliptical opening, projecting light outwards into the room. Choose from either an Aged Brass or Old Bronze backplate for a more classic or modern look.
