

STACEY

BKO902-OB

At first glance, Stacey is your classic shaded fixture, but a closer look reveals a familiar silhouette with subtle elevated details. In scone form, a layered circular backplate with bias cut edge detailing is the base for a swooping square arm that slightly twists into knurled caps at either end. The chandelier highlights the same bias cut technique in an elegant stem. Stacey's stunning metalwork is available in three classic finishes.
