

RUSKIN

FIN-002401-PN

Refreshing about Ruskin is the way it combines masculinity and femininity in one elegant design. The handsome cubic principle that occupies much of the piece is complemented by the glamour of a long, faceted-crystal tail, ending in a singular sphere on the finial. Reflecting the tail's design is a tapered square shade. The simplicity of the geometry paired with the combination of metal and crystal sets this sconce apart.
