

TWILA

H868101-VGL

Merging a handmade aesthetic with a sense of luxury, the style-forward Twila combines natural rattan and Vintage Gold Leaf. The white candle and goose neck arm give this fixture an heirloom feel. The slight flip in the shade and light filtering through the rattan weave add to the beauty of the fixture. As both a sconce and a chandelier, Twila brings effortless sophistication to any space.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
