

HOPKINTON

L7831-DB

The contrast between the oblong domed shade and the conical base of Hopkinton creates a striking geometric design. Whether this petite accent lamp is finished in Aged Brass or Distressed Bronze, the on-trend mushroom silhouette adds a dose of personality. Its integrated rechargeable LED light source ensures lasting functionality. The battery life of Hopkinton is dependent on the brightness level set by the user, and it recharges in 3.5 hours. This dimmable lamp can also be used while charging.
