CLIVEDON

MDS1403-AGB/SSG

This classic metal shade design feels special with fresh finish combinations and sleek, heritage-inspired details. The contrastiing Aged Brass accents and modern gooseneck arm allow the pendants and sconce an updated, yet classic feel. The tapered shade over a five-light candelabra give the chandelier new traditional appeal. Each fixture features an Aged Brass or Polished Nickel shade that is metal on the inside and painted Off-White, Distressed Bronze or Bird Blue on the outside. Part of our Mark D. Sikes collection.
