

PECOLA

PTL2424-PBR/CAN

Graphic etchings recalling folk art define the evocative Pecola. The curved lines and rough texture of the windswept ash ceramic body give the lamp a found object quality, which is balanced by the fresh, tailored feel of the tapered, off-white linen shade. Accented by Patin Brass metalwork, Pecola delivers a stunning interplay of textures and tones, ideal for playing up patterns in a room. Part of our Loft and Thought collection.
